

CHARITY CLAY SHOOT 2024

Saturday 8th June | Lincolnshire Wolds

This Spring's rain clouds made a brief appearance, then left guests to enjoy the annual simulated clay shoot on the Wolds courtesy of Viking Clays in sunshine.

With 18 experienced guns, it was a close competition. Congratulations to Gary Short from Shorts Agricultural Services, deserved winner of the Hayter Challenge Trophy.

The President's Charity Greenfingers will be recipients of the proceeds. Once again, we thank Robert Moore for organising this popular event as part of a great weekend and Sally Stubbs for capturing the event on camera.
